

# Loddon Gardens

Loddon Open Gardens could not be held in 2020, but we still wanted to share these beautiful gardens with you.

Imagine that you  
are following the  
garden trail  
through Loddon....

You would start by buying a Garden Passport at the church and then going round to Market Place

A developing garden in an old-established space

Dog walkers may have spotted this one

A courtyard garden  
that thrives in the  
sunshine

Cool, calm and lovely

A little garden full of surprises  
that goes on and on....

... and on

Set off across  
Church Plain  
and peep round  
the corner to  
find many  
beautiful flowers

Then on your way back, find another garden full of lovely colourful flowers

Gardeners love pollinators, and this garden particularly welcomes bees

This brand new garden is already attracting wildlife to its pond with its wildlife-friendly plants

Follow the winding path to  
enjoy this garden

Have you reached the roads  
around Cedar Drive, or  
somewhere much more  
exotic?

Or somewhere  
warm and sunny?

This garden is built on the principle of 'recycle and re-use'

Gardening is a  
shared activity in  
Davy Place

Just two  
more to go...  
but what a  
glorious riot  
of colour is in  
this garden

A big and beautiful garden to enjoy as your final treat

Now you've  
visited all our  
gardens, make  
your way back  
to the church....

.... and enjoy  
morning coffee or  
afternoon tea with a  
slice of yummy cake

Loddon Open Gardens is a major fundraiser for the church in Loddon, enabling the church and its building to exist for the benefit of the community.

If you have enjoyed your virtual tour, you may like to give a donation.

- You can send a donation to the Church in Loddon, St John's Chapel, Loddon NR14 6NB
- Or you can text BLOOMS to 70085 to donate £5

Texts cost £5 plus one standard rate message. You can donate more than once.

This tour has been compiled using photos supplied by each of the garden owners. Loddon Open Gardens is grateful to them for their willingness to take part and to share their beautiful gardens.
